> Defines paid parental leave entitlements for primary and secondary caregivers, including the phased-return benefit.

1. Purpose & Scope

This policy applies to all regular full-time and part-time employees of TechTrapture who have completed at least 90 days of continuous service. It covers leave taken for the birth, adoption, or legal guardianship placement of a child.

Contractors, interns, and temporary agency staff are not eligible under this policy.

2. Primary Caregiver Leave — the "Cradle Clause"

Eligible employees designated as the primary caregiver receive 18 weeks of fully paid parental leave at 100% of base salary. This entitlement is known internally as the Cradle Clause.

Primary caregiver leave must commence within 12 months of the qualifying event and may be taken in a single continuous block or split into a maximum of two blocks with manager approval.

3. Secondary Caregiver Leave

Employees designated as the secondary caregiver receive 8 weeks of fully paid leave at 100% of base salary, to be taken within 6 months of the qualifying event.

Only one designation (primary or secondary) may be claimed per employee per qualifying event. Two TechTrapture employees sharing the same qualifying event must each declare a distinct role.

4. Phased Return Benefit

Following primary caregiver leave, employees may elect a 4-week phased return during which they work 60% of standard hours while receiving 100% of base pay. This benefit is opt-in and must be requested at least 2 weeks before the leave end date.

5. Job Protection & Benefits Continuity

An employee's role, level, and reporting line are protected for the full duration of approved parental leave. Health, dental, and retirement contributions continue uninterrupted.

Stock vesting continues on schedule for the first 16 weeks of leave; vesting beyond 16 weeks is paused and resumes on return.

6. Requesting Leave

Submit the Parental Leave Request in the TechTrapture People Portal at least 30 days before the intended start date where foreseeable. Adoption and emergency guardianship placements may be requested with shorter notice.

Questions should be directed to people-leave@techtrapture.com.
